Dear Sirs,

Re: Renewal of Trade Marks.

We have pleasure in advising that the Registrar of Trade Marks has now modified the practice and issued the following circular:-

RENEWALS

1. The object of having a declaration of user is to satisfy the Registrar that the mark has not been abandoned.
A declaration of user in the Home Country (and not in the Union) will be sufficient in view of present disturbed conditions.
2. Renewal may in future take place for all goods for which the mark is registered even if it has only been used on some.

(This does not affect partial renewals which have been made).

MENZIES MURRAY.

REGISTRAR OF TRADE MARKS.

Yours faithfully,
